How much should I give to make this a better world?

A BUSINESS man filled out his income tax

It showed an income so large that his tax was 53%. And his total gifts to church and charity for the year were \$148.

Think of it—thousands spent for luxuries and pleasure for himself; and \$148 to leave the world a little better than he found it!

Most of us do better than that; but not so very

Our average daily gift for all church causes is

—less than we spend for daily papers

—less than a local telephone call -less than a third of the day's car fare

—less than 3 cents a day No wonder that 80% of the ministers of America are paid less than \$20 a week. No wonder that the church hospitals turn away thousands of sick people a year. No wonder that China has only one doctor for every 400,000 people. No wonder that every church board and charity society is forever meeting def-

icits, forever passing the hat. It isn't because we are selfish; it isn't because we don't want to help. It's just because no one has ever put up a great big program to us, and szked us to think of the work of the church in a systematic businesslike way.

The Interchurch World Movement represents the united program of thirty great denominations. They have surveyed their whole task; no business could have done it better.

They have budgeted their needs; no business could have a more scientific budget. They have united to prevent the possibility of waste and dupli-cation. At least a million dollars will be saved by the fact that thirty individual campaigns are joined in one united effort. And they come to the men and women who love

America—to you—this week, asking you to use them as the channel through which a certain defi-nite part of your income can be applied to make Only you can determine what part of your id-

that should be the chart printed here is in tended merely as a suggestion; it represents a scale of giving of 6%—or less.

Six per cent of your earning power, 15/16ths of your life for your own family needs, and I 16th for your fellow men- is that more than you ought to give?

It's a good time right now to answer that ques-tion. We're passing through the world just once; how much better is the world going to be because you passed through?
